SUMMARY

As a creative, I have combined my development and design skills to produce high-quality products and solutions for various industries. Certifications from companies like Adobe back my skills, and extensive knowledge in HTML/CSS allows me to keep products with current trends.

WORK EXPERIENCE

Wyze Energy Beverages

July 2021 - March 2022

At Wyze Energy Beverages, my responsibilities included building and maintaining a website, creating a mobile application on iOS and Android, shipping logistics, and social media coordinator.

Tools: Photoshop, Illustrator, Sketch 3, Atom, Xcode, Android Studios, Premiere Pro, Final Cut Pro, CPanel, Wordpress, Firebase, After Effects.

Talent Book Studios LLC

February 2020 - Present

At Talent Book Studios, my responsibilities include designing, building, and communicating with leaders in the fashion industry.

Tools: Photoshop, Illustrator, Sketch 3, Atom, Xcode, Android, Premiere Pro, Final Cut Pro, CPanel, Wordpress.
